

# Advantage MS Announces Availability of Physician Email Address

## Companies Can Break Through To Over 900,000 Physicians At Opt-In Workplace Email Addresses

Fort Washington, PA – January 13, 2011

AdvantageMS offers the largest and most detailed physician email list available, with over 900,000 records. Cost-effectively break through to your target audience with permissioned CAN-SPAM compliant email addresses. Our database is 100% Multi-Channel, with each record containing email, postal, and demographic data, as well as phone information where available. Please contact an AdvantageMS sales representative for counts and information for other medical professionals, such as nurses, physician assistants and more.

**FEATURES:** Workplace email addresses, including hard-to-find group practice and hospital-based emails. All domains are both primary and corporate (i.e. drjones@examplehospital.com as opposed to info@examplehospital.com). 100% permission based. Emails broadcast through Advantage MS (please inquire for details).

**COLLECTION, MAINTENANCE, QUALITY:** Updated weekly after permission passing. Every record multi-sourced and verified. Sourced by over 650 different data sources. All opt-outs and bounces removed within 1 hour of deployment of all campaigns

**SELECTS INCLUDE:** Industry standard specialty codes and descriptions. Profession (i.e. MD, DO, RN, Nurse Practitioner, etc.). Geography including ZIP radius. Postal portions of each record are updated with DPV/NCOA
